ABSTRACT

The bibliography contains entries for approximately 150 books, articles (one in French), symposia, monographs, ERIC documents, reports, handbooks, manuals, dissertations, and unpublished papers dealing with the implementation and management of individualized and personalized educational programs. Most of the works listed were published since 1971; none before 1956. Under separate headings the document also lists two other relevant bibliographies and nine appropriate journals, monographs, and miscellaneous entries. (JR)

* Documents acquired by ERIC include many informal unpublished *
* materials not available from other sources. ERIC makes every effort *
* to obtain the best copy available. Nevertheless, items of marginal *
* reproducibility are often encountered and this affects the quality *
* of the microfiche and hardcopy reproductions ERIC makes available *
* via the ERIC Document Reproduction Service (EDRS). EDRS is not *
